INDIVIDUAL PERSONAL GUARANTY

I, the undersigned Guarantor, for and in consideration of Tony's Wholesale Supply Company, L.L.C., a Texas limited liability company ("Seller") extending credit at my request to the Company (described below), personally guarantee prompt payment of any obligation of the Company to Seller, whether now existing or hereinafter incurred (collectively, the "Guaranteed Indebtedness"). I hereby unconditionally, absolutely and irrevocably guarantee the prompt and full payment and performance of the Guaranteed Indebtedness. I further agree to bind myself to pay on demand any sum which is due by the Company to Seller whenever the Company fails to pay same. It is understood that this guaranty shall be an absolute, continuing and irrevocable guaranty for such Guaranteed Indebtedness of the Company.

I further agree, in the event of any default or breach under any agreement entered into between Seller and the Company, or relating to the Guaranteed Indebtedness, to pay the total balance due upon demand, without requiring the Seller to make demand and/or first proceed to enforce such obligations against the Company.

I expressly waive all claims for presentment, demand, protest, notice of protest, notice of any kind, dishonor, diligence, notice of default or nonpayment, notice of breach by Company, notice of acceptance of this guaranty, notice of the extending of any Guaranteed Indebtedness already or hereafter contracted for by the Company, notice of any modification, amendment, extension or renewal of any credit agreement evidencing the Guaranteed Indebtedness hereby guaranteed, and notice of any renewal or extensions of the Guaranteed Indebtedness. I further waive any right to require Seller to proceed first against, or make any effort at collection of the Guaranteed Indebtedness from the Company or any other party liable for such indebtedness, prior to proceeding against me. The payment obligations of Guarantor are the direct, primary and continuing obligations of the Guarantor and Guarantor's heirs, successors and assigns, and not merely a guaranty of collection.

If the Guaranteed Indebtedness is not paid by me when due, and this guaranty is placed in the hands of an attorney for collection, or suit is brought hereon, or it is enforced through any judicial proceeding whatsoever, I shall immediately pay on demand, all reasonable attorneys' fees and court costs incurred by Seller.

In the event that more than one party executes this guaranty as guarantor, then each guarantor agrees to be jointly and severally liable for the Guaranteed Indebtedness, and, in all instances herein, the singular shall be construed to include the plural.

By signing below, I agree, individually, that the Seller or their respective designees may obtain credit reports on me from credit reporting agencies in connection with the application, continuance of the business credit provided herein, or pursuant to subsequent applications or requests, in review of the Company's account, and assisting in taking collection activity, and otherwise to investigate my credit, and I hereby instruct all credit reporting agencies to provide Seller with such credit reports upon request.

Guarantor must be the owner, sole proprietor, a general partner or a corporate officer of the Company.
